

Dear applicant,

Thank you for your interest in the post of Chief Executive Officer at St Anthony's Community Association.

Replacing our current CEO is not an easy task. Helen took on the job 11 years ago and under her excellent leadership, St Anthony's has gone from strength to strength, whilst rooted in its values of service and commitment to each and every one whom we care for.

In our carpark there is a 3-metre high glass and steel art installation which was commissioned by the trustees in recognition of the dedication and commitment of all staff and volunteers during the pandemic. The inscription reads, 'Thank you for your service'. We had witnessed the way they had responded, driven by their desire and affection for the people we serve. Leadership at all levels was significant. St Anthony's had been stress-tested and it had risen to the challenge.

We are sorry to lose Helen as our CEO, but are grateful for all she has done and wish her well in her retirement. The challenge for us is to find someone with the right blend of skills and energy to take up the baton being offered and run with it.

The information enclosed is detailed and comprehensive and you would be very welcome to come and see for yourself. If after finding out all you can about St Anthony's you feel you have the skills and experience and would relish leading such an organisation; to work with a committed team; to feel every day that you have helped make our part of the world a better place; then we would welcome your application.

Tim O'Grady
Chair of Trustees
